- Each seller must complete a sales sheet prior to check-in.
- Please write legibly and in ink.
- Your **artist number** will be provided upon registration by calling WGM. Do not assume that your number will be the same as in previous years.
- Complete the Item Number, Description and Price columns for each item.
- Each item must be listed on a separate line and have a separate number. Attach additional pages as needed.
- **Item numbers** must be numerical only: no letters.
- Please number your items consecutively (1,2,3...).
- If you are **donating the proceeds** of an item sale to WGM, mark the item with the item number 99, to be counted separately from your own inventory.
- **Price:** Sellers set the prices for their item(s). No tags with crossed-out prices will be accepted, even if initialed by the artist. This is to protect the artist at checkout. Use only sales tags provided by WGM.
- **Keep a copy of the sales sheet(s) for your records.**
